

SUPER

[2-3 YEAR OLDS AND JK – GRADE 1:]

This month, our kids will learn they can be brave like Elijah and believe in the one true God. They can be strong like Esther and love God with their whole heart. They can be courageous like Rahab and trust God. They can be wise like Joshua and obey God. When they are like these awesome people whose stories are told in the Bible, they can be a Super Kid and do “super” God’s way.

MEMORY VERSE

“Be strong and courageous. Do not be afraid ..., for the Lord, your God goes with you.”
Deuteronomy 31:6, NIV

KEY QUESTION:

Who can you count on?

BASIC TRUTH:

God Loves Me

BOTTOM LINE:

I can always count on God

[GRADE 2-6]

This month, our Grade 2-6 Class will learn to honor others by giving them a chance in the Story of David. To honor others by putting them first like Jonathan did with David. To honor others by keeping promises like David did for Jonathan. To honor God by giving him credit, like David who danced before God in front of his people. When they act like this on their “Road to Glory,” they will “Play the Game with Honor”

THEME:

Road to Glory, Play the Game with Honor

MEMORY VERSE

“Love each other deeply. Honor others more than yourselves.” Romans 12:10 NIV

BASIC TRUTH: I should treat others the way I want to be treated.

[MONTHLY THEME]

Our theme this month is built around a sports theme. We are encouraging all the kids to come dressed in any sports team shirt for the month. It’s going to be an exciting month!

[NURSERY]

Our nursery is available for any child between 0-2 years. Whenever you as a parent are comfortable to leave your child, we will be happy to have them. For any nursing moms, the comfortable chairs are back in the nursery, please feel free to come and nurse if you need to.

[REMINDERS]

If your child needs you during Pathway Kids we will put up the **last 4 digits of your cell phone number** on the screen in the sanctuary. Also, don't forget it should be **Parents** signing in the children, **NOT** children signing themselves in!

Digital art gallery

Need an extra room added to the house to store your child's ever-growing collection of original artwork? Here's an inexpensive alternative: Take a digital photo of each creation and store it in a digital file – your child's personal digital art gallery. That way, it will be easier for your child to part with all but their most precious artwork. To help excite your child about this clutter-reducing plan, let them take some of the photos, and show them how easy it is to email their work to grandma and granddad.

Leaves? Not a trace

Kids won't help to rake up the leaves? Give this a try! Collect some plastic bottle caps and write a number on each one with a permanent marker. Hide the bottle caps under the leaves in your yard. Then, make up a list of small rewards associated with each number, such as "extra dessert," or "get your nails painted." The thrill of discovering their next reward will motivate the kids to keep raking.

If you are interested in volunteering in one of our environments, please contact me. We are always looking for great volunteers.
